

### Product Information: Sinetuss Syrup

1. **Producer:** Neofyt spol. s r. o., Pražská 442, 281 67 Stříbrná Skalice
2. **Ingredients:** glucose, fructose, extracts (stating the quantity of dry drug per 100 g of product): medical marshmallow root (2 g, *Althaea officinalis*), poppy seed flower (0.8 g, *Papaver rhoeas*), sundew stem (0.5 g, *Drosera rotundifolia*), elderberry flower (0.5 g, *Sambucus nigra*), ammonium chloride (acid regulator, 0.3 g/100 g of product), aniseed oil, mint oil, citric acid (acid regulator, 50 mg/100 g of product), potassium sorbate (preservative).
3. **Characteristics:** Sinetuss Syrup contains a high proportion of effective plant extracts. The syrup contains extracts from medical marshmallow root, poppy seed flower, elderberry flower and sundew stem. Marshmallow, poppy seeds and sundew have soothing effects on the respiratory system in case of irritation. This soothing effects is further enhanced by the presence of aniseed and mint oil.
4. **Dosage:** Adults: 10ml (tablespoon) 3-5 times per day.
5. **Administration:** Shake well before use. Administer using the measuring cup or directly from the spoon.
6. **Warning:** The syrup is intended for adults. It is not suitable for children, pregnant or nursing women. When using Sinetuss Syrup, it is suitable to ensure a sufficient intake of fluids. Any slight cloudiness is caused by a high proportion of plant extracts and does not decrease the quality of the product. The product is not intended to be used as a supplement to a varied diet. Do not exceed the recommended daily dose.
7. **Storage:** Store in a dark place at a temperature of 5 °C – 25 °C. Keep out of the reach of children.
8. **Volume:** 250 ml
9. **Date of Last Revision:** July 25<sup>th</sup>, 2016
10. **Liquidation:** Follow the instructions on the product's package.
