

### Product Information: Spasmophyt

1. **Producer:** Neofyt spol. s r. o., Pražská 442, 281 67 Stříbrná Skalice
2. **Ingredients:** pine, mint, eucalyptus, anise, orange, chamomile and fennel oils, olive oil, medical bearberry and white willow extract.
3. **Characteristics:** The product contains pine, mint, eucalyptus, anise, fennel, chamomile and orange oils. Fennel helps suppress cramps and contributes to the normal functioning of the urinary tract. Medical bearberry promotes the normal functioning of the bladder and urinary tract. Willow bark extract contains saligenin, which is metabolized to salicylic acid in the body.
4. **Dosage:** Adults and children from the age of 15: during complications take 3 – 5 drops before meals, 4-5 times per day. Use continuously for no longer than 2 weeks. Do not use the product earlier than 14 days from the end of the last use. The product is not intended for long-term use.
5. **Administration:** Shake well before use. Possible to administer on a sugar cube, etc.
6. **Warning:** The product is not intended for children younger than 15 years of age, pregnant or nursing women. Do not use the product during a known hypersensitivity to any one of the product's ingredients. Any slight cloudiness is caused by a high proportion of plant extracts and does not decrease the quality of the product. The product is not intended to be used as a supplement to a varied diet. Do not exceed the recommended daily dose
7. **Storage:** Store in a dark place at a temperature of 5 °C – 25 °C. Keep out of the reach of children.
8. **Volume:** 10 ml
9. **Date of Last Revision:** July 25<sup>th</sup>, 2016
10. **Liquidation:** Follow the instructions on the product's package.
